

PLAYFAIR CARTAGE BEYOND BORDERS

Dear Valued Haulier,

PLAYFAIR trusts you to be well.

Kindly take note that we need the below documents of your company for Playfair's records first before we can load you and please ensure your GIT insurance has all of the below points on the documentation.

As a security measure once we have verified all of the below requirements we will then send our Company details.

- 1. Company Profile**
- 2. Company Registration certificates**
- 3. GIT load insurance for the relevant trucks that are going to be loaded. Copy of your policy should please be attached**

Please note the below points that needs to be on your GIT document.

- 1- Issued Date
- 2- Expiry Date
- 3- Territorial Limits
- 4- Amount Insured for
- 5- Company name
- 6- Truck registration numbers must reflect because there is no way for Playfair to know that the trucks belong to your company and possibly a sub contractor who is

not covered by your insurance. This is not negotiable and your insurance broker must listen to your instruction.

4. **Complete the subcontractor insurance confirmation** – Please ensure that this document is signed by a member, director or trustee of your company or it will not be accepted as valid
5. **Copy of Director/s identification documents**
6. **3 x Company Trade references that your company is currently transporting for.**
Kindly ensure that these are

landline numbers. Playfair needs to follow up on the level of service you provide and therefore we request this.

7. **Proof of Company Physical address**
In the company name or one of directors/members/trustees names

THANKING YOU

THE DIRECTOR
